

BIZZARRO—LAMAREZZA DEL DELINQUENTE

Bizzarro is our take on a bitter aperitivo style drink, made in our own Delinquente way - scant regard for tradition, all about deliciousness.

Essentially, Bizzarro is a vermouth - we take a neutral grape spirit, infuse it with an array of fruits, herbs and other botanicals, and use this concoction to fortify a dry white wine.

But, of course, we up the flavour ante, with a focus on traditional aperitivo ingredients such as orange, rhubarb and gentian root, while the base wine is our super aromatic, skin contact vermentino.

The result - an aperitivo that perfectly balances sweet and bitter, making it incredible versatile - pour it into your pet nat spritz, mix it into your favourite cocktails or serve up over ice with a splash of soda.

Per il bene, e per il male.

For good, and for evil.
